SUBJECT: Conflict Minerals Section of the *Dodd- Frank Wall Street Reform and Consumer Protection Act*

---

Dear Valued Customer:

Robco's official policy follows concerning the *Conflict Minerals* Section of the *Dodd-Frank Wall Street Reform and Consumer Protection Act* of 2010.

Robco Inc. does not purchase any materials or products classified as *conflict minerals* that originate in the *regions* specified by the above-mentioned Act. Of the four named *conflict minerals* (gold, tantalum, tin, and tungsten), only two, tungsten and tantalum, are contained in Robco's products beyond trace amounts for specific components of our mechanical seals and Robco does not purchase any of the others for use in any of our processes. Furthermore, we have taken the additional measure of surveying our suppliers regarding their compliance with the Act and have received their official policy statements on the matter assuring us that they do not supply us with any material(s) containing or derived from *conflict minerals* originating in the *conflict regions*.

Thank you for the opportunity to address your concerns on this matter and should you have any further questions, please do not hesitate to contact us.

Sincerely,

ROBCO INC.

John C. MacDonald  
President and Chief Operating Officer
